MIAC Baseball Tournament Preview

Welcome to the ninth annual Minnesota Intercollegiate Athletic Conference (MIAC) Baseball Tournament. After a spring full of postponements and cancellations, four teams have emerged from the pack to play for the MIAC postseason crown. The 2008 MIAC Baseball Tournament will feature teams from the University of St. Thomas, St. Olaf College, Hamline University and Gustavus Adolphus College. Tournament action is scheduled to begin Friday, May 9th at 3:30 p.m. with second round games starting at 7 p.m. on Friday. The double elimination tournament will continue on Saturday, May 10th with games at 1 p.m. and 5 p.m. If necessary, the tournament will continue to a Sunday 1 p.m. Championship game. The tournament champion will receive the MIAC's automatic bid to the NCAA Division III Tournament.

Defending MIAC playoff champion, St. Thomas, will once again be the number one seed in this year's tournament. The Tommies enter the 2008 MIAC tournament with a 18-2 record against Conference opponents having swept nine of the ten MIAC baseball teams. St. Thomas has six Tournament Titles to their credit and recently claimed their 28th Conference Regular Season Championship. The Tommies finished the conference season first in team batting average (.377), second in team pitching (3.86 ERA) and first in fielding (.980). St. Thomas will look to the senior leadership of Chris Bullis and Matt Pexa to lead them at the plate

St. Olaf, the No. 2 seed in this year's tournament, and 2007 MIAC Regular Season Co-Champion, will be looking to make a return to the NCAA tournament in 2008. On the offensive side, the Oles will look to juniors Todd Mathison and Nick Fuerst to lead the team. In conference play, Mathison has posted a .471 average with 19 RBI and 16 runs scored while Fuerst has a .455 average with 19 RBI and 18 runs scored. In Conference statistics, the Oles lead the MIAC in pitching with a team ERA of 3.36 and will continue to count on strong pitching to lead them through the tournament.

The Pipers enter the MIAC tournament as the No. 3 seed with a 12-8 record in conference games. The Pipers will be led by the pitching duo of Josh Roiger and Andrew Beltowsky who are both ranked in the top five in the MIAC in ERA with a 1.19 and 2.42 ERA, respectively. Offensively, the Pipers will look to junior infielder Dan Kaczrowski, who is batting .500 in conference games with 35 hits, 18 RBI and 24 runs scored. Hamline enters the tournament with a 5-1 record against other playoff teams (2-0 vs. St. Thomas, 1-1 vs. St. Olaf, and 2-0 vs. Gustavus).

No. 4 seed Gustavus enters the 2008 conference tournament with a 12-8 MIAC and 20-16 overall record. The Gusties are making their fifth MIAC postseason tournament appearance in the past seven years. Gustavus finished the MIAC regular season fifth in team batting average (.314) and second in team fielding (.974). At the plate, look for talented seniors Pat Siering and Shea Roehrkaske to spark the Gustie offense. During the middle of the season, the Gusties rattled off nine consecutive wins and closed the Conference season with a sweep of Augsburg.
